Hi Kevin,

Todd G. suggested that I take a look at the FGT 114 that you are putting together. I have some questions for you and would like to have a general conversation about what we know so far. I would like to edit some of the questions but would like to chat with you first.

If you are free, call me at 404 562 9198 (calls forwarded) or my cell 404 561 3731 to chat. I think 15 – 20 min or less is all I need.

Sincerely,
